

# COMMUNITY SURVEY – We need your thoughts!

This survey seeks to gain feedback from the community to identify different thoughts and ideas the community has in relation to possible activities, needs and future use the area may require in its facilities and infrastructure.

Aside from demographic information, this survey is anonymous.

Information gathered will form the basis of a report that will be published towards the end of 2016 and can be viewed at [www.geburhcentre.com](http://www.geburhcentre.com).
